

PANO SERIES FIRE EXTINGUISHER CABINET

Williams Brothers' Pano Series Cabinet features a bubble canopy front. This feature allows for 180 degrees of visibility as per the NFPA 10 code. The cabinet front is fabricated in 16-gauge cold-rolled steel and the tub is 20-gauge cold-rolled steel complete with bracket mounting holes. It is designed to accommodate a Strike First 20 lb Dry Chemical Extinguisher SF-ABC1020, Class K Wet Chemical SF-6LK or Water SF-PW250.

All cabinets come standard in a white powder coat finish, a continuous piano hinge and stainless steel paddle latch.
